Wego Elementary School 2026 Fall
IP 2F STEAM Homework Chart (Week 1-10)

Week	Date (Tuesday)	On-line Review/ Homework	
		Table of Contents	**Title**
1	9/1	U1 Engineering Design Process Lesson 1	Engineer it-What Is a Design Process? Engineer it-What Is a Design Process?: Step1~Step5 Engineer it-What Is a Design Process?: Lesson Check
2	9/8	U1 Engineering Design Process Lesson 2	Engineer it-How Can We Compare Design Solutions? Engineer it-How Can We Compare Design Solutions?: One Problem, Many Solutions Engineer it-How Can We Compare Design Solutions?: Build and Test a Solution Engineer it-How Can We Compare Design Solutions?: Compare Design Solutions
3	9/15	U1 Engineering Design Process Lesson 2	Engineer it-How Can We Compare Design Solutions?: Take It Further Engineer it-How Can We Compare Design Solutions?: Lesson Check Engineering Design Process: Unit Review
4	9/22	U2 Matter Lesson 1	Engineer it-What Are Properties of Matter?:Properties of Matter Engineer it-What Are Properties of Matter?:State of Matter: Solids Engineer it-What Are Properties of Matter?:State of Matter: Liquids Engineer it-What Are Properties of Matter?:Which Materials Are Best?
5	9/29	U2 Matter Lesson 1&2	How Are Objects Put Together? How Are Objects Put Together?:Build It Up, Break It Down How Are Objects Put Together?:What Is the Same? Engineer it-What Are Properties of Matter?:Lesson Check

Week	Date (Thursday)	On-line Review/ Homework	
		Table of Contents	**Title**
6	10/6	WBC (No Class)	
7	10/13	-Give out **project notice. Please read carefully.** -Finish and submit project draft **on 10/19 Mon.** **-** Prepare & bring project materials on **10/19 Mon.**	
8	10/20	Making Project	
9	10/27	Making Project	
10	11/3	U2 Matter Lesson 1&2	Engineer it-What Are Properties of Matter?: Take It Further How Are Objects Put Together?: Lesson Check

Score: Participation (25%), Daily Performance & Group Work(25%), SD textbook & worksheet (25%), Project (25%)

*Online homework is assigned weekly. It isn't part of the formal assessment; however, students are strongly encouraged to review this homework to actively participate in class.
