Wego Elementary School 2026 Fall IP 2F STEAM Project

Class: 2F T1 / T2 No.: _____ Name: _____

Midterm Project: My Geometricity

Dear parents:

We will start our first project on 10/20(Tue.). Please read the following reminders and prepare beforehand. Thank you for your cooperation.☺

親愛的家長您好：

我們將於 10/20(二)進行第一次的專案製作。請詳讀以下注意事項，提前完成準備，感謝您的配合!

Goal: You will plan and build your own city with 3D shapes! To be creative, try to use **different materials**.

🔔 Important Dates:

Draft due.	prepare materials	bring materials	project making
10/19 (Mon.)	10/13-10/19	10/19 (Mon.)	10/20 &10/27

專案準備須知 Must-Know

1. The required materials are listed on page 2.
   所需要攜帶之材料已列於第二頁。
2. Students will **build in class** by themselves.
   學生須自行於課堂完成模型，不可攜帶完成品。
3. If the material is harder (such as plastic bottles or bamboo sticks), you can cut it into the needed shapes at home in advance.
   若材料較硬（如寶特瓶、竹籤等），可先在家中預先切割成所需的形狀。
4. Your points **will be deducted** if you…以下情況發生將予以扣分
   -turn in assignment late or unfinished draft.
   遲交/未交或繳交未完成作業
   -come to class unprepared.
   未準備或忘記攜帶所需材料

Materials 材料

Please prepare 請準備…

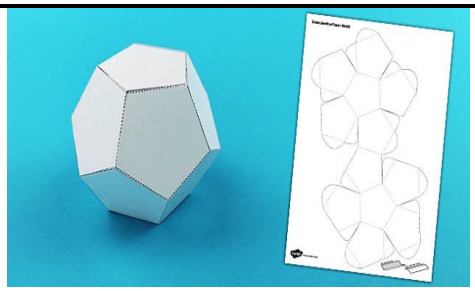

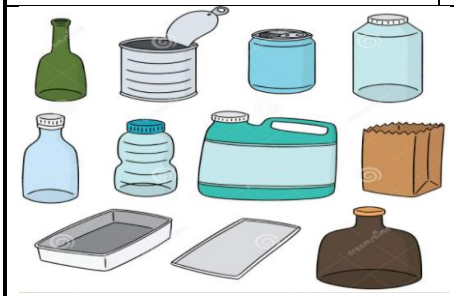

Buildings 建築材料	Based on your blueprint on p.3 依據自己的設計圖,準備需要的材料
The teacher will provide the 30 cm x 30 cm model base. 老師會提供 30cm X 30cm 的模型底座。	

2. Buildings: You use various materials to build. One building can include more than one 3D shape.

1. Model base: You draw the city map and put your buildings on it.

Suggested materials 建議可使用的材料

		
craft sticks **手做木棒**	**clay 黏土**	**papers** **各類的紙**
		**Recycle items 回收物品:** **rinsed coffee cup, milk box, soda can, water bottle, snack box…etc** **洗乾淨的咖啡杯,牛奶盒,汽水罐,寶特瓶,點心盒等等**

Class: 2F T1 / T2 No.: _____ Name: _____

_____'s Blueprint

Building	**3D Shapes** (cone / cube / cylinder / cuboid / pyramid / sphere / triangular prism)	**materials**

Students' Reflection

Draw a face to show your feelings.

	Self-Reflection	Rubric
	1. I include at least **four** 3D shapes to build my city.	Completeness (30%)
	2. I write nicely on my project and label the model correctly and clearly.	Neatness Accuracy (30%)
	3. I follow my blueprint to prepare materials and build with the plan in mind.	Preparation Planning (20%)
	4. I use my time in an effective way and finish my project on time.	Effort Time management (20%)
	Bonus (Teacher's note)	Creativity: +
